## **PROPOSED PROJECT ASSET DONATION, AND TRANSFER TO FINAL BENEFICIARIES- GOD'S GRACE LOCATED IN OCEA TRADING CENTRE, RHHINO CAMP, MADI OKOLLO DISTRICT**

### **Project background**

The support to skilling Uganda (SSU) project is jointly implemented by Belgian Development Agency (Enabel) and Ministry of Education and Sport (MoES) with support of the Belgium Government, EUTF, GIZ and Irish Aid. SSU focuses on supporting 10 years' BTVET strategic plan (2012-2021) geared towards a systemic transformation of comprehensive skills development for employment, enhanced productivity and growth in Uganda. The plan focuses on making skill development more relevant and demand driven by linking Business Technical Vocational and Training (BTVET) with the world of work.

### **Description/Justification for proposed donation, and transfer of project asset to final beneficiaries.**

#### **Proposal:**

The contract agreement for the project; Responds to increased demand on government services and creation of economic opportunities in Uganda (RISE), contract number 81237151 comes to an end on 31<sup>st</sup> October, 2021. In compliance to Article 4, paragraph 4.4, Enabel has inventoried the asset accordingly, and in pursuit to paragraph 4.5, Enabel is proposing to donate, and transfer ownership of the inventoried asset to the final beneficiary named God's grace, a beneficiary graduate group located in Ocea trading center, Rhino camp, Madi Okollo district.

The Asset shall be handed over to the final beneficiary before final closing end of December, 2021.

Below is the group detail extract submitted by the group through NRC in response to a structured questionnaire by Enabel:

Name of the graduate Business group.	God's Grace
Location of business	Ocea Trading Centre
Current business activities	Typesetting, printing, photocopying, loading and burning music, and training youth especially on virtual DJ
Partners/stakeholders of the ICT hub	Akita Mungu, NRC, ENABEL and GIZ
Background of the ICT Hub.	<p>The hub is constituted of the youth trained by NRC with funding from ENABEL. The youth were placed with Akita Mungu for one month after DIT. When they got their startup kit, they went with it to Akita Mungu for further guidance and to date, they are working under the mentorship of Akita Mungu (in Akita Mungu's business premises). Akita Mungu is committed to supporting the youth to grow their business and if they are willing, be incorporated into Akita Mungu.</p> <p>Akita Mungu is constituted of the youth who were trained by NRC in 2016. NRC gave a startup kit of 01 Laptop and a generator but they have grown the enterprise to the extent that they have a community ICT hub donated by GIZ. Their challenge is furnishing the hub with tools/equipment to benefit the wider refugee and host population in and around Ocea.</p>
